A MESSAGE FROM THE MANAGEMENT

It gives us immense pleasure to welcome you to Samar Bharti College of Nursing.

Samar Bharti Foundation has established Samar Bharti College of Nursing with a simple yet meaningful vision to make quality nursing education more accessible to students in and around Chandankiyari and the wider Bokaro region.

Education and healthcare are two of the strongest pillars of a progressive society. Through this institution, we aspire to bring these two together by creating opportunities for young students to build meaningful careers in the nursing profession while developing the knowledge, skills and compassion required to serve society.

We believe that a student's potential should not be limited by where they come from or how far they have to travel to access quality education. Samar Bharti College of Nursing is therefore an effort to bridge the educational gap in the region and create a supportive environment where students can learn, grow and prepare themselves for the responsibilities of the nursing profession.

As we begin our journey with the Academic Session 2026–27, we look forward to building an institution founded on education, discipline, compassion and service.

We welcome you to be a part of this journey.

Chairman
Samar Bharti Foundation

ABOUT SAMAR BHARTI COLLEGE OF NURSING

Established by the Samar Bharti Foundation, Samar Bharti College of Nursing begins its academic journey with the 2026–27 academic session, with a commitment to making quality nursing education more accessible to students in Chandankiyari, Bokaro and surrounding areas.

Located in Chandankiyari, Bokaro, Jharkhand, the college seeks to address an important need in the region, access to quality professional education closer to home.

With comparatively fewer higher-education and professional education opportunities available in the area, many students are required to travel away from their communities to pursue their education. Samar Bharti College of Nursing aims to help bridge this gap by creating an opportunity for students to pursue nursing education within their region.

Our objective is not only to provide a classroom-based education, but to nurture students into responsible, skilled and compassionate healthcare professionals.

Through structured academic learning, practical exposure, clinical training and a supportive learning environment, we aim to prepare our students to contribute meaningfully to the healthcare sector and to the communities they serve.

VISION , MISSION & VALUES

VISION

- To become a trusted centre for nursing education in the region by providing accessible, quality and professionally oriented education that develops competent, compassionate and responsible healthcare professionals.

MISSION

- Make quality nursing education accessible
- Provide a supportive & disciplined environment
- Build strong theoretical & practical skills
- Nurture compassion, ethics & professionalism
- Promote community health & service
- Support students' personal & professional growth

VALUES

- Compassion
- Integrity
- Discipline
- Excellence
- Service
- Responsibility

Educate with purpose. Care with compassion. Serve with commitment.

WHY CHOOSE US ?

QUALITY EDUCATION

A structured academic environment focused on building strong nursing knowledge, practical skills and professional confidence.

ACCESSIBLE & REASONABLE FEES

We aim to make professional nursing education accessible through a transparent and reasonable fee structure.

PRACTICAL & CLINICAL EXPOSURE

Students will receive opportunities to strengthen their nursing skills through practical learning and clinical training as per the applicable course requirements and institutional arrangements.

CAREER & PLACEMENT SUPPORT

We aim to support students in exploring career opportunities and preparing for employment after successful completion of their course. Placement assistance may include guidance, career counselling and opportunities shared with eligible students.

INTERNSHIP & PROFESSIONAL EXPOSURE

Students may receive opportunities for practical exposure and professional learning through relevant institutional and clinical arrangements.

AFFORDABLE & SECURE HOSTEL

For students coming from outside Chandankiyari, hostel facilities are planned to provide a safe, disciplined and comfortable living environment at an affordable cost.

SUPPORTIVE LEARNING ENVIRONMENT

We believe students learn best in an environment where they receive academic guidance, personal attention and encouragement.

EDUCATION CLOSER TO HOME

Located in Chandankiyari, Samar Bharti College of Nursing seeks to reduce the geographical barrier that often prevents students from pursuing professional education.
